

Barker Lions Tale

Olmstead Center Visit

On June 8, a group of Barker Lions visited the Olmstead Center in Buffalo. As we toured the state of the art eye care center, we learned about many cutting edge procedures performed there. At the end of the tour, we presented a check for \$1000.

We hope to have representatives visit our club to speak during the next year.

Board Meeting

We received thank you notes from Scholarship Winners Mark Prunella Miller, Chelsey Wilson and Elizabeth Tillman, and one from Athlete of the year Shelby Branch.

Another ramp was put in this week. We had two vans donated. One had a wheelchair lift. We will attempt to find a user or buyer for the lift. One van is only good for scrap.

It has been suggested that the Lions get involved in the local Habitat for Humanity. Roger Harrison will chair. Contact him to participate.

The plaque near the gazebo is in terrible shape. We are looking for alternatives so that we can replace it.

District Governor will visit October 21.
