Lion Bob Atwater took care of the Ramp for Tom Callaghan

Lion Fran is looking for suggestions for next year's program. We will continue with a general meeting on the first Wednesday and board meeting on the third Wednesday. We haven't visited many other clubs. A list will be placed in the Lions Tale. Members are encouraged to call and carpool to the other meetings. First meeting in September will be Sept. 2.

Lions Trap shoot will be November or early December. Meeting on June 27 at the Lions Building. Contact Lion John McDonald to help.

Ross Eye Institute: Lion Fran and Lion Frank went for a meeting and tour. There was information on how many people have been helped in our zip code. It was a fascinating tour. The group may want to consider doing another tour as our meeting.

Barn is being cleaned out. A load of metal scrap netted the club \$200.
