

Lions Club Objects

To create and foster a spirit of internationalism among the people of the world.

To promote the principles of good government and good citizenship.

To take an active interest in the civic, cultural, social and moral welfare of the community.

To unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To provide a forum for the open discussion of all matters of public interest, provide, however, that partisans politics and sectarian religion shall not be debated by club members.

To encourage service-minded people to serve their community without personal financial reward and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Your executive board is working to update our directory. Thank you to those who gave us your information. However, if you could email the information to Margo@MarjimManor.com, I could do a cut and paste and save a lot of typing!
