

Lions Tale FEB. 20th, 2015

Our next regular meeting of the Barker Lions is Mar. 4th. The program for the evening starts with a tour of Lion Tom Mallon's shop @ Barker Central School. Please gather at the south end of the High School @ 6:30pm. Lion Tom will give us a tour of his new equipment with some demonstrations. After the tour we will gather for dinner at 7:30 @ our Community Building.

Please keep selling the March Lottery tickets. Lion John McDonald would like members to turn in sold tickets as soon as possible. This will help him get them organized before the month starts.

The Barker Lions pancake breakfast is March 1st @ the Barker Fire Hall with the help of the Music Boosters. The many music groups will be performing at various times during the morning. This is our largest breakfast and all members are asked to help. The work schedule is e-mailed to members with e-mail and snail mailed to others.

The Lions Past Pres. Meeting is March 22nd @ 2pm in our Community Building. Any member interested in an office or being a board member for the next years slate of officers please let any Past Pres. know.
